

January 30, 2023

To whom it may concern,

This is to certify that Nida Murad worked as an intern from January, 2022 to March, 2022.
In her role as a Business Analyst intern she helped in various duties which included migrating the workspace, working on Equipment Supplier Case Study and also join in on several meetings with clients.

It was great to have her with us, and we wish her the very best for her future endeavours.

Sincerely,

A handwritten signature in grey ink, appearing to read "Nico Röpnack", is positioned above the printed name.
